“Urgyen Menla” From the New Treasure of Dudjom
(Padmasambhava as the Unsurpassable Great Healer of Mind)

An initiation into The Body, Speech and Mind of Urgyen Menla qualities and miraculous activities; By practicing the Deity Urgyen Menla, the special accomplishments and Buddha activities of healing can be achieved allowing practitioners to enact actual healing and benefits for all sentient beings. The initiation will be accompanied by the authorization (oral Transmission) of the short Daily practice of Urgyen Menla to make it easy for those who wish to do the actual practice.

Thursday, August 9th, 6:00-9:30 pm (\$35 suggested donation)
Foundry United Methodist Church, 1500 16th St NW, Washington, DC

From The Treasure of Traktung Dudjom Lingpa

“Troma Nagmo, (The Black wrathful Mother) The Primordial Sun of Wisdom”
“The Offering of One Hundred Hand Prints”

All diseases, ailments and maladies occur due to conjunction of inner cause and outer conditions. The inner causes come from a host of factors including the 5 poisons of mind, karmic debts and accumulation of negativity, negative patterns and habits. By the offering “One hundred handprints”, Lamas performing the ceremonies are able to effect the paying back of all types of karmic debts of life, life force, flesh, happiness, dwellings, etc. Attendees should bring some coins, and small cut fragments of their clothing (and a small photo of the entire body) of those needing help who are unable to attend.

Friday, August 10th, 6:00-9:30 pm (\$35 suggested donation)
Foundry United Methodist Church, 1500 16th St NW, Washington, DC

“Ta Chak Kyung Sum” From the New Treasure of Dudjom

Three Powerful and Wrathful Healing Deities, Hayagriva, Vajrapani and Garuda “A Drop of Molten Meteoric Iron that Incinerates (Demonic Influences) Upon Touch”

One of the most efficient and supremely wrathful conglomerate practices, Ta Chak Kyung Sum invokes Hayagriva (The Horse Headed Deity), Vajrapani (Tib. Chanak Dorje) and Garuda's wisdom beings which allows the Lamas and practitioners to perform healing activities for beneficiaries. The resulting powerful blessings are well-suited for alleviating depression, removing strong obstacles, raising wind-horse, cleansing skin diseases as well as those caused by Nagas, seasonal diseases and those caused

by pollution, ill-will, etc. The ritual is best performed for those able to attend but people unable to be present can be represented by someone attending. Special and Rare Garuda Blessing pills will also be distributed at this participatory practice session.

Sunday, August 12th, 10 am – 5 pm (\$50 suggested donation)
DC Yoga, 1242 U St. SE, Washington, DC

“Chimed Tsok Thig” A Profound Long Life Treasure of Zilnon Namkha Dorje, The Accomplishment of “The Immortal Life Essence The Essential Bindu of Deathlessness”

An “Empowerment” offering. This is a very rare and powerful practice Mandala which can restore lost life and life force, prolong life and help practitioners break the power of the greatest illusion ...death itself. It is very effective and carries the direct blessings of the unbroken short lineage of The New Treasure of His Holiness Dudjom Rinpoche.

Individual Diagnostics with Amchi Sherab
See www.HealingSciences.org for venues and dates

Amchi Sherab will perform traditional Tibetan pulse diagnostics for those interested with health problems as well as for those of reasonable health requiring balancing. He will also recommend and provide various “Tibetan herbal Dietary Supplements” while Lama Rangbar will offer Mantric / blessings and healings as well as sacred blessing substances.

A half-hour session is \$30, and herbal supplement costs vary with type. Typically 1 to 3 supplements are recommended at approximately \$25 for a one-month course. Accordingly, one can expect the total cost per visit to be within a range of approximately \$75 to \$130 depending upon the needs of the individual.
